Hi Kelly,

These are our latest. The EPA MOA still has the old species stuff in it, but we were waiting to change it once we finish working out the process.

Thanks!

Heather

Heather,

My management wanted to be briefed on the most recent MOAs (FDEP and EPA, FDEP and the Corps) and I wanted to make sure we're working off of the latest draft. Can you point me to those? There are 4 documents on your sharepoint that I can see but they all seem to be last modified in 2018. Thanks for any help you can give me!
